

The Perfect Snowflake.

In that Wonderful moment when Jesus was Born, the sky 'Lit Up' as the Beautiful Light of 'His Star' shone Brightly in the dark sky.

A Pure White Light 'Shone Down' onto the Humble Stable, like a Beautiful Cord from Heaven to Earth.

As Baby Jesus took His First Breath, a 'Single Snowflake' fell from the sky. It was Perfectly Formed, like nothing that had Ever existed before.

As the Snowflake Gently & Peacefully fell, it Glistened Beautifully in the Light of The Star.

It came to Rest on top of the Stable and Reflected the 'Pure White Light' in Every direction.

As Mary held Baby Jesus in her arms for the First time, her Soul was Filled with a Peace that Goes Beyond All Understanding.

It was a Special Moment that she knew in her Heart, she would remember for the rest of her Life.

Joseph Gently & Lovingly put his arm around Mary as he looked in Awe & Wonder at Jesus, the Son of God, in front of him.

Jesus lifted His tiny fingers and touched Joseph on his hand. An Incredible Joy Filled his Entire Being like nothing he had Ever experienced before.

As Mary & Joseph sat Together on the hay in the Stable, Lovingly gazing at the Peaceful baby Jesus, 12 more Snowflakes fell from the sky.

Some of them seemed to be a bit broken, but as they 'Followed' the path of that 'Single Snowflake', they All Glistened Beautifully in the 'Pure Light' of The Star.

Mary wrapped Jesus in Swaddling Cloth and Gently laid Him in the Manger.

Joseph placed some hay around Jesus to keep Him warm.

As Jesus lay Peacefully in the Manger, a ray of Light from The Star came through the roof of the Stable and Shone on the Manger. It Lit Up Jesus' Face and His eyes Sparkled, Reflecting the Love of God.

The Donkey walked over to the Manger and lay down next to Jesus. It felt a Wonderful sense of 'Thankfulness' radiating from Jesus for 'Never Giving Up' and Helping Mary & Joseph on their Long Journey to Bethlehem.

As the Donkey Rested with Jesus, more Snowflakes started to fall from the sky. Each one was 'Unique & individual', but all Lovingly Created in the 'Image' of the Single 'Perfect Snowflake'.

As they Gently fell from the sky, the Pure Light from The Star 'Reflected' off Each Snowflake and Created a Glorious Display of 'Shining Lights' in the darkness.

More and more Snowflakes Followed, and they all Joined Together to form a Wonderful Covering of Beautiful 'Pure White Snow'.

The Sheep & Cows in the Stable stood Quietly & Lovingly Looking at Jesus in the Manger. The place that usually holds their food was now Gloriously Glowing as the Light from The Star continued to Shine on Jesus.

The Sheep & Cows were Not bothered about where their food was. They knew that Jesus is 'The Bread of Life' and that He will 'Provide All Their Needs'.

Mary & Joseph looked at each other and tears of Joy rolled down their faces as they both felt an Amazing Sense of Achievement for 'Doing the Will of God' and bringing Jesus into the world.

They knelt down at the side of Jesus and Humbly said “Thank You Lord for Trusting us”.

Jesus gave them a Beautiful Smile, and then lifted His little hand and pointed towards the door of the Stable.

As Mary & Joseph looked through the door to the outside, they saw the Beautiful Snow that had been falling.

Only a few moments earlier Everything had been in 'darkness', but Now the 'Pure White Snow' that Covered Everywhere was 'Shining In Glory' as the Light from 'The Star' Reflected off Every Individual Snowflake.

Mary & Joseph both said at the same time the Scripture of Isaiah 1:18 when the Lord said:

“Though your sins are like scarlet, they shall be as White as Snow”.

They knew that the baby who Mary had given Birth to, was 'The Son of God', and that He will 'Save His People' from their sins.

As they knelt Close to Jesus, looking at the 'White Snow' Glistening in the 'Pure Light' of 'The Star', their Hearts 'Overflowed' with the 'Peace, Love and Joy of Jesus'.

The 'Savour' of the world has been Born.
