

Mary & Joseph needed to travel from Nazareth to Bethlehem, a Journey of nearly 100 miles. It's Very likely they had a Donkey to Carry Mary, as it's a Long way for a Pregnant Lady to walk.

33 years later, Jesus was Carried into Jerusalem for His 'Triumphant Entry' on a Colt, (a Young Donkey), and another Donkey who was the Colts Mum. (Matthew 21: 1-7).

It might have been the Same Donkey that Carried Mary into Bethlehem.

God has Wonderful Ways of Connecting 'Special Moments'.

What Lovely Honour for the Donkey to be 'With Jesus' at such an Important Moment.

When You do 'Something Special' for Jesus, God will 'Thank You' in a 'Very Special Way'.
