Sometimes it 'Snows' in Bethlehem.

Imagine ~ In that Wonderful Moment when Jesus was Born in a Humble Stable, a 'Single Snowflake' Descended from Heaven.

As it 'Peacefully' Descended to Earth,
it 'Glistened Beautifully' in the 'Light' of the Bright 'Shining Star'.
It 'Gently' landed on top of the Stable in the 'Stillness of the Night'.

As Mary & Joseph laid Baby Jesus in the Manger, more 'Snowflakes' started falling, until the Night Sky was Filled with 'Gently Falling Snow'.

Every Snowflake 'Sparked Individually', as they 'Reflected' the 'Light of the Star',
Creating an 'Indescribable Beauty' that 'Glorified' God's Wonderful Creativity.

The 'Snow Softly' fell to Earth, and 'Gently' landed on the 'Fields & the Trees',
on the 'Sheep & the Cows', and on All of God's 'Wonderful Creations'.

Everywhere was 'Covered' in 'Pure White', and 'Reflected' the 'Light of the Star'.
What had Previously been in darkness, was now 'Illuminated' in Glorious Beauty.

~ 'The Light of the World', had been Born. ~

Let Jesus be 'Born in Your Heart',
and He will 'Light Up Your Life' with 'His Glorious Beauty'.
